## ABOUT US

Georgia Funeral Care & Cremation Services is locally owned and operated by Kevin and Gina Marcy. As a fifth generation funeral professional, Kevin has been working in funeral service most of his life. It was in 1868 when Kevin's great-great grandfather started their first family funeral home in Ohio, and today Kevin and Gina continue that legacy in Georgia.

An Atlanta native, Gina grew up in Cobb County, attending North Cobb High School, and graduating from Kennesaw State University. Kevin moved to Georgia in 1986 after attending Ohio University. Once in Atlanta, he graduated from Gupton Jones College of Funeral Service. Kevin and Gina have two sons, Wade, a student at Georgia College, Reed, a student at North Cobb High School, and three furry kids, Sissy, Mimi, and Carlos. The Marcy family has attended NorthStar Church in Acworth, GA since the 1990's. In 2007, they also started the first funeral home for pets in Georgia called Dream Land Pet Memorial Center.

## FUNERAL & CREMATION SELECTIONS

*Where Dignity is Always Affordable*

## OUR PLEDGE TO YOU

At Georgia Funeral Care & Cremation Services, we believe that a meaningful and dignified funeral or cremation service should not cost tens of thousands of dollars, nor should it be the source of additional undue stress during an already difficult time. "That is why we created the first of its kind funeral home, to provide our families the most economical services anywhere."

Specializing in affordable church, graveside, and cremation services, Georgia Funeral Care is able to reach far beyond the normal boundaries of a typical funeral home and serve families anywhere in Georgia. "We take our services to them". We also have a cozy chapel for those who wish to hold a service in Acworth.

When you turn to Georgia Funeral Care & Cremation Services, you will be treated with care, compassion, and dignity, just like a member of our own family. We will help you every step of the way so you can begin the healing process, with the most affordable prices in the state of Georgia.

You have my word.

Sincerely,

Kevin Marcy  
Owner & Founder

## CARING FOR OUR VETERANS

### The Final Salute

Our Veteran Services honor those who have chosen to endanger their lives for their countrymen. These options are tailored to the expressed desires of our people in uniform.

Our professional staff will arrange burial at a national cemetery along with Military Honors for a dignified military service. Special veterans caskets and urns, with the appropriate military insignia, may be used for burial and cremation ceremonies. At that time, family and friends have an opportunity to gather to give a final salute to our fallen heroes.

We are proud to have been chosen as a Veterans Funeral Care affiliate - a network of providers that spans the United States.

"The Funeral Home For  
Veterans & Their Families."
